SSR MINING PROVIDES UPDATE ON ÇÖPLER INCIDENT

DENVER – SSR Mining Inc. (Nasdaq/TSX: SSRM; ASX: SSR) (“SSR Mining” or the “Company”) provides an update on the ongoing recovery efforts at the Çöpler mine in Türkiye.

Since the February 13, 2024 incident, the priority at Çöpler has been the recovery of our nine missing colleagues. In the evening of Friday, April 5, 2024 the body of one of the missing personnel was recovered from the Manganese Pit. The family of the deceased has been notified, along with the relevant government authorities. Our thoughts continue to be with all of the impacted families. The search for our missing colleagues continues, with over 4 million tonnes of displaced material removed to date from the Sabırlı Valley, Manganese Pit and heap leach pad.

Further updates on the incident will continue to be provided through press releases and updates to the Company’s website.

Cautionary Note Regarding Forward-Looking Information and Statements

Certain statements contained in this news release constitute forward-looking information within the meaning of applicable securities laws. Forward-looking information may be contained in this document and our other public filings. Forward-looking information relates to statements concerning our outlook and anticipated events or results and, in some cases, can be identified by terminology such as “may”, “will”, “could”, “should”, “expect”, “plan”, “anticipate”, “believe”, “intend”, “estimate”, “projects”, “predict”, “potential”, “continue” or other similar expressions concerning matters that are not historical facts.

Forward-looking information and statements in this news release are based on certain key expectations and assumptions made by us. Although we believe that the expectations and assumptions on which such forward-looking information and statements are based are reasonable, undue reliance should not be placed on the forward-looking information and statements because we can give no assurance that they will prove to be correct. Forward-looking information and statements are subject to various risks and uncertainties which could cause actual results and experience to differ materially from the anticipated results or expectations expressed in this news release. You should not place undue reliance on forward-looking information. Forward-looking information are only predictions based on our current expectations and our projections about future events. Actual results may vary from such forward-looking information for a variety of reasons including, but not limited to, risks and uncertainties resulting from the incident at Çöpler described in our Annual Report on Form 10-K for the year ended December 31, 2023 and other risks and uncertainties disclosed in our filings on our website at www.ssrmining.com, on SEDAR at www.sedarplus.ca, on EDGAR at www.sec.gov and on the ASX at www.asx.com.au and other unforeseen events or circumstances. Other than as required by law, we do not intend, and undertake no obligation to update any forward-looking information to reflect, among other things, new information or future events.
